Lists are to be send in in a clear format to [T9A@conectr-team.be](mailto:T9A@conectr-team.be) before 29/04/2019.

## **Tournament points (100)**

20 points per battle, 20 points on painting, 10 on fair play and 10 on sending your army list on time without errors. Each error in the army list and day beyond the deadline will result in a -1 point penalty. Also bad list formats or unclear lists will lose points here. Everybody starts with the full 10 points on fair play. Only if necessary the judges will apply penalties for unfair play.

The final tournament ranking will be made up from the added scores for the three battles, painting points, fair play points and the army list points. If there are any players with equal tournament points we will rank the player with higher points on the battles higher, if this still results in equal ranking we will look to victory points scored during the three battles, more victory points results in a higher ranking.

## **Painting**

0-10P: % amount of models painted and based.

3 colours minimum, undercoat is not a colour.

The following points can only be earned if your whole army is painted and based.

+4P Your army has extra details. Techniques used like highlighting, inking, drybrushing, etc.

+2P Your bases have extra details on them.

+2P Your army has a theme and looks spectacular as a whole.

+2P Conversion work.

## Matchups

You will play three battles against three different opponents.

The first battle will be paired randomly in such a way you won't play against a fellow club-mate.

From battle two and onwards we follow the Swiss system.

## Scenarios

On the morning of May the 5<sup>th</sup> we will role three D6 for the deployment of the battles and three D6 for the secondary objectives. Each battle will have a different deployment and different secondary objective.

All rules for setting up a game, deployment, secondary objectives and scoring victory points will apply as stated in the T9A beta rules

## Terrain

We will use the official T9A map packs for setting up the battlefield, hooray!

Conect'R Team will provide good looking scenery and tables to play on. We will do our very best to match the map pack layouts with the correct sized scenery items.

However if you and your opponents agree upon changing the scenery lay out or items you can do this upon this agreement.

## Prices

We will award the top 10 ranking players and the best painted army with a price
